Welcome:

Judge Murphy, Chair

Judge Murphy welcomed everyone to the meeting. Everyone should have the Minutes and Case Review Summaries from the May meeting. If everyone has had an opportunity to review those, we will entertain a motion to accept the those. Steve Shannon made the motion which was seconded by Judge Messer. With no objections the May Minutes and Case Review Summaries stand as submitted.

Impairment Discussion

I know the impairment definition discussion has been on our agenda a couple times, but we have some members who could not attend today's meeting. Given that, we will move that discussion until next month's meeting.

We ask for everyone's patience today as we navigate this hybrid meeting and only have one analyst presenting for the entire day.
